MEAT MARKER

The ALL-WEATHER® Meat Marker is designed to write on all types of animal carcasses during the meat processing stage in USDA inspected processing plants in the U.S.

- Available in 2 high-visibility colors, blue and purple
- Both colors are registered for use in USDA inspected plants by NSF.
- NSF Registration No. 142992 ALL-WEATHER MEAT MARKER Blue
- NSF Registration No. 142993 ALL-WEATHER MEAT MARKER Purple
- The ALL-WEATHER MEAT MARKER is safe for all food contact
- The high visibility colors make visual identification fast and easy.
- The larger size is 33% bigger than competitive products.

The durable water-resistant holder keeps the marker off your hands and clothing and it allows you to use all of the stick for greater economy.
